## NACCHO Announces 2023 Model and Promising Practice Award Winners – Award recognizes local health department best practices in addressing pressing public health challenges

Jul 13, 2023 | NacchoVoice

Washington, DC, July 13, 2023 — Today, the [National Association of County and City Health Officials \(NACCHO\)](#), the voice of the country's nearly 3,000 local governmental health departments, named its 2023 Model and Promising Practice Award Winners, an annual recognition of local public health best practices. This year, 23 outstanding local health department programs have been recognized as Model Practices, and 30 programs have been recognized as Promising Practices. Videos describing the 2023 Model Practices can be found [here](#). The awards were presented during the [2023 NACCHO360 Annual Conference](#) in Denver on July 12, 2023.

**Update, July 2024:** The Panhandle Situation Table won the **"Model Practice Award"** for its exemplary response to critical local public health needs.

**"Model Practices"** are programs that demonstrate exemplary and replicable qualities in response to a critical local public health need, and **"Promising Practices"** have demonstrated exciting approaches and strategies to local public health challenges that are on track to becoming **"Model Practices."**

COMMUNITY MAPPING

Identify which agencies are not here today but are important for our community “situation table.”

Identify gaps in coordination or communication between providers, agencies, and organizations.

## Second and Third Rings

Which agencies or service providers are important to be part of the “Table” but not a regular participant and can serve as “second” or “third ring” participants?
